1. Boot the system, if necessary, and get a C> prompt.
2. Insert the program disk, label side up, into the disk drive and close the disk drive door.
3. Type **A:SETFIXED NAME**, where **NAME** is the name you have chosen for the new directory. The name must not be longer than eight characters. When you press **Enter**, *Gauntlet* will install itself on the hard disk.
4. When the installation is complete, the system must be rebooted. To reboot, press the **Ctrl**, **Alt**, and **Del** keys all at the same time. To run *Gauntlet* from the hard disk after rebooting, type **CD\NAME**, where **NAME** is the new directory name, and press **Enter**. Then type **GAUNTLET** and press **Enter**. After a few seconds, the program will load into your computer's memory and the title screen will appear.

Uninstalling ***Gauntlet*** *from a Hard Disk Drive*

1. Boot the system, if necessary, and get an A> prompt.
2. Insert the program disk into drive A and close the drive door.
3. At the A> prompt, type **UNINSTAL** and press **Enter**.
4. When the process is complete, ***Gauntlet*** will no longer be executable from the hard disk. To re-install ***Gauntlet*** on a hard disk, follow the hard disk installing instructions already given.

Special Controls:

Special keyboard controls for Players 1 and 2 are given at the end of the manual. If your computer has a joystick port, Player 1 uses the joystick and Player 2 uses the second player keyboard controls. If your computer has a second joystick port, Player 2 may use a joystick as well.

To use a potion, Player One presses the space bar and Player Two presses the Tab key.
To return to the Title screen, press Ctrl and X at the same time.
To exit the program, press Ctrl and C at the same time.
To pause the game, press Ctrl and NUMLOCK at the same time. (PCjr users press FN and Pause.) Press any key to continue a paused game. (Tandy users press HOLD to pause; press again to continue.)
To turn the sound off, press F2; press again to turn the sound back on.

Setting Forth

Follow the instructions for your machine to load and run the game. When you see the opening screens, choose whether you wish to play a one- or two-player game. Next, point to the character you want to play and click the button. If you chose a two-player game, both players will be given a chance to choose a character. If you chose a one-player game, the computer will randomly assign a second character. Once you start play, a second player can join at any time by pressing the fire button or fire key of the appropriate control.
